

**Porlock Community Library Report
for Porlock Parish Council Meeting
11th December 2024**

The Library Poets book launch was a great success which raised over £150 for library funds. Books are available in the library and some shops - yours for a minimum donation of £6.99 - they will also be available in the Church during late night shopping.

Mention of the Church and late night shopping leads neatly on to the next two items:

The library is participating in the Church's Christmas Tree Festival (a library entry and one from our Knit and Natter Group) and also the Santa Festival.

We will be open from 4.30 to 8.00 for late night shopping. Once again, we will be hosting the face painter and having a sale of withdrawn library books.

In January, hopefully there will be enough interest to form a weekly Cribbage Club, commencing on Wednesday 8th at 10.30am.

Mary Perkins
Library Officer
