

Doverly Manor Committee
PPC Rep's Report to
Full Council meeting, 15th January 2025

The two branches of the Museum, the Management Committee and the Museum itself – each currently set up as separate charities – recently held an informal joint meeting to discuss whether merging the two organisations would be an idea worth pursuing. It was agreed that further information should be obtained to better understand the pros and cons of the proposal. To that end the PPC Clerk has worked with our charity legal advisors and we now have information with which to make a decision on next steps.

A meeting of the two charities with the two PPC Reps (Johnathan & me) has been arranged for Tuesday 21st January.
