Porlock Parish Council Meeting
October 2025

LOOKING BACK ON Q2

In July, we finished the school year with a fantastic few sessions. We hosted a BBQ that everyone enjoyed, a disco with party food, and the chance to try out our mobile skate ramp, which was a big hit with the young people. While our rural youth clubs took a break over the summer, we hosted 2 Youth Club special sessions at the EYE and invited all our youth club members to come along for £1. During the Youth Club specials, we opened up the whole building for the young people to enjoy the skatepark, pool table, air hockey, football table, and bouldering cave, along with instructor-led activities and fruit snacks. It was great to welcome members from across our clubs, including some from Porlock.

LOOKING FORWARD TO Q3

Porlock Youth Club has an exciting line-up ahead, with activities such as Capture the Flag, Tagageddon, Cricket and Rounders, Target Sports, and a Board and Card Game Night. We have a Halloween Disco before a short break for half term. In November, Gareth is bringing out his telescope to hold a stargazing session, we are creating our own DIY Crazy Golf, and of course finish the year with a Christmas Party!
